

## SCHOOL BUS DRIVER

### ABOUT US:

First Light Safety Products, a subsidiary of Smartrend Manufacturing Group, is a leader in the manufacturing industry, engineering products for the transportation, and school bus industries. Our goal is to eliminate school bus related fatalities by making the journey safer for our kids with our patent-pending illuminated technology. Our products are manufactured in our 29,000 sq. ft. state-of-art facility

### SUMMARY:

We are looking for an experienced **School Bus Driver** to drive our First Light Test Bus around Manitoba for product testing. The **School Bus Driver** is passionate about safety and is interested in helping to support us in our efforts in obtaining pre-defined data requirements. The successful candidate is able to work alone for extended periods.

### DETAILED DUTIES AND RESPONSIBILITIES:

- Operate First Light's Test Bus through various environments and routes for product testing and capture required data with results communicated to our internal teams

### KNOWLEDGE, SKILLS, AND ABILITIES REQUIRED:

- Experience driving a school bus
- Valid class E driver's license
- Clear driving record
- Must be able to work alone
- Excellent communication skills

Share with us your talent, drive, and entrepreneurial spirit and we will provide a creative and supportive environment, where valuable contributions are rewarded and celebrated with professional growth, job satisfaction, and an attractive total compensation program. We offer a benefits package to our employees including:

- Competitive Compensation Plan

*WE WOULD LIKE TO THANK ALL APPLICANTS WHO APPLY, HOWEVER, ONLY THOSE SELECTED FOR AN INTERVIEW WILL BE CONTACTED.*
